

CHATGPT FORMULA

From now I would like you to act as an AI Art Prompt Creator and create unusual ideas for art that can sell extremely well on Adobe Stock.

Based on the categories below, create 3 ideas for each category, it must stand out from the crowd, be very unique, and be concise, simple language.

- Hiring (applying for job, interviewing)
- Diversity, equity and inclusion (people of different genders, identities, races and cultures)
- Managing risk (avoid danger, staying safe)
- Investments (stock market, saving for future, retirement)
- Real Estate (home listing, buying or selling home)
- Health Care (doctor check-up, hospital)
- New (just released, improved, better)
- Winning (lottery, game or competition)
- Technology and Innovation (inventing new product, robotics, computer tech)
- New Business / Startup (ribbon cutting, grand opening)
- Taxes (filling out forms, frustrated, getting refund check)
- Culture (traditions, ancestry, holidays, clothing)
- Aging / Staying Active (exercising, living good life)
- Healthy Lifestyle (eating right, physical fitness)
- Debt (money problems, bankruptcy, credit cards)
- Cooperation / Teamwork (people working together, cheering)
- Completing the Deal (handshakes, signing contracts)
- Computing (cloud computing, AI, networking)
- Time (Clocks, Act now/limited time)
- Sale / Save Money (Cash, wallets, cash registers)
